CRAFTED TO INSPIRE

ABOUT B8

Welcome to a collection where innovation meets artistry. At B8, we believe furniture is more than just a functional item — a statement of style, a piece of art that transforms spaces and evokes emotions. Our designs are not just to be seen; you will experience and admire them. Each piece in our collection is meticulously crafted using advanced composite materials, offering unparalleled strength and durability.

BLEND OF ART AND FUNCTION

Our commitment to blending traditional craftsmanship with contemporary aesthetics sets us apart. Our products are handmade by skilled artisans, ensuring that each piece is unique and embodies the passion and precision of its maker. From the robust structures to the refined finishing touches, every detail is a testament to our dedication to quality and excellence.

STAY FOR- EVER.

We believe design is more than just aesthetics; it is about creating experiences that connect people with their environment.

Our products are crafted to beautify and connect spaces, providing lasting worth and minimal maintenance.

DECORATION

Elevate your space with our premium composite planters and vases, the ideal solution for indoor and outdoor environments.

These articles are crafted to withstand the harshest weather conditions and designed with a blend of strength and elegance.

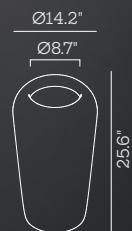

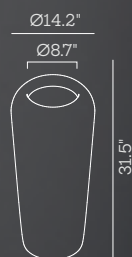

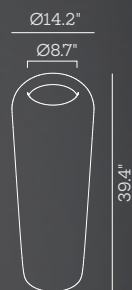

RIGEL

BOLD DESIGN,
UNMATCHED ELEGANCE.

Rigel stands as a statement of modern sophistication and timeless beauty. With its sleek, minimalist silhouette and refined high finish, it effortlessly complements any decor from contemporary interiors to chic outdoor settings.

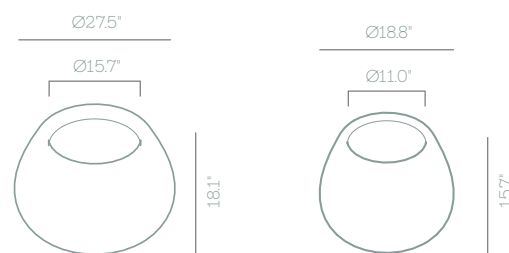

Engineered for durability and versatility, Rigel is perfect for creating striking visual impact, making it an optimal addition to luxurious living spaces.

CAPELLA

THE ART OF MODERN SIMPLICITY

Capella's rounded silhouette and high-end finish create a captivating presence, making it a versatile choice for enhancing both indoor and outdoor spaces. It perfectly balances simplicity with sophistication.

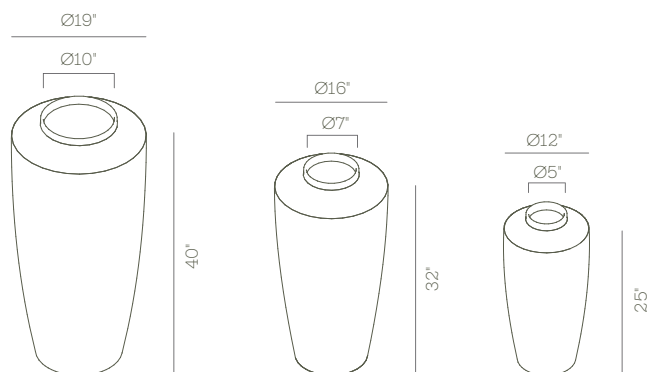

VEGA

VIBRANT DESIGN, UNMATCHED STYLE

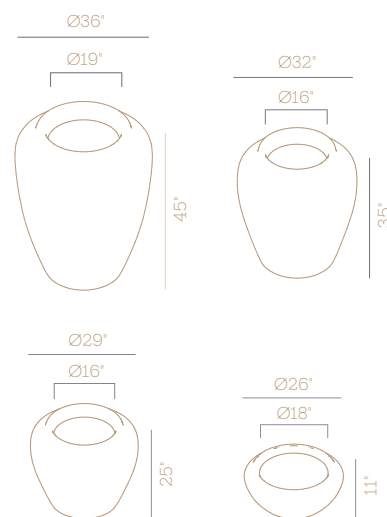

Vega pushes the boundaries of modern design with its vibrant colors and sleek minimalist form. Its high-end finish and striking silhouette make it a standout piece in any setting, perfect for those who love infusing their spaces with bold energy and contemporary flair.

SIRIUS

VIBRANT DESIGN, UNMATCHED STYLE

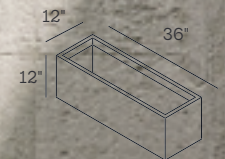

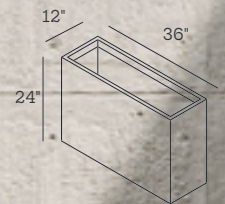

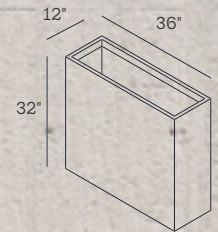

Sophistication and style merge in the Sirius, which artfully blends classic charm with contemporary refinement. Its clean lines and sophisticated finish make it an elegant addition to any space, while its minimalist design allows for versatile indoor and outdoor placement.

POLLUX

CLEAN LINES, REFINED STYLE

Pollux balances modern minimalism and bold design. Its clean rectangular form and smooth surface provide sleek aesthetics and functional beauty.

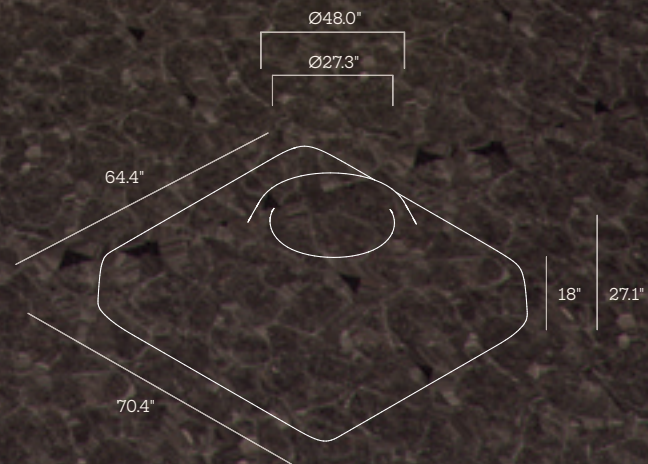

AURUS

MULTI-FUNCTIONAL DESIGN FOR MODERN SPACES

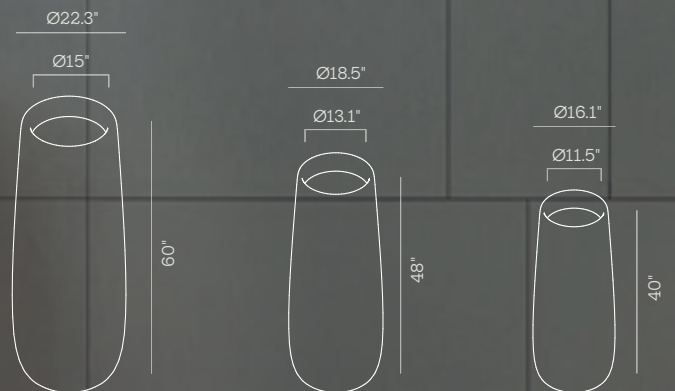

Designed for contemporary commercial spaces, Aurus goes beyond aesthetics, offering integrated seating that invites both interaction and relaxation. Its clean lines and durable construction make it a versatile solution functioning as both a planter and a stylish seating option.

CANOPUS

A STUNNING VISION OF CONTEMPORARY DESIGN

Canopus offers a modern interpretation of minimalist design. Its elongated, gently tapered shape creates an eye-catching profile in any room. Its smooth, high-end finish enhances the sleek lines, while the updated silhouette brings a sense of graceful sophistication.

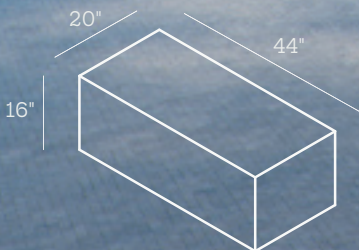

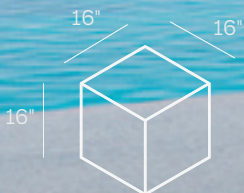

TABLES

These tables are constructed from advanced materials, combining contemporary design with lasting resilience. With refined finishes, they set a new standard in style and performance.

BLOCK

TIMELESS DESIGN IN PERFECT FORM

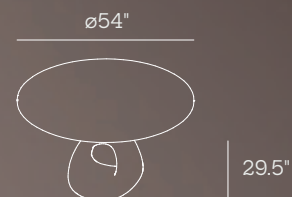

Block is a timeless expression of modern design, blending sleek geometry with practical function. Its precise cubic shape brings versatility to any environment, whether as a striking accent piece or a useful side table. It is ideal for both indoor and outdoor settings.

CYGNUS

THE ART OF CONTEMPORARY SOPHISTICATION

The Cygnus is an expression of contemporary elegance, featuring a gracefully sculpted base and a sleek, circular surface. Its fluid, organic lines create a sense of movement and balance, while the high-gloss finish enhances its sculptural presence.

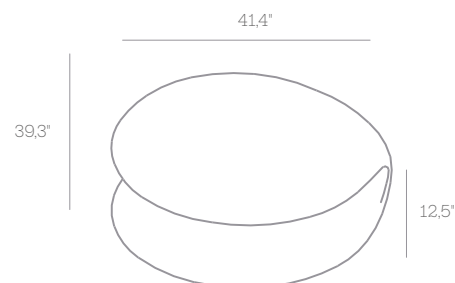

MILLENNIUM

DYNAMIC DESIGN, TIMELESS APPEAL

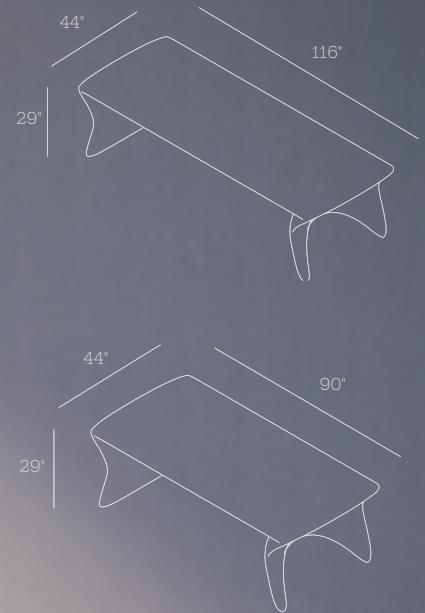

Millennium captures attention with its flowing, sculptural form and smooth, high-gloss finish, making it a true masterpiece of modern design. Designed to evoke a sense of movement and modernity, Millennium's bold curves and minimalist elegance transform it into a captivating centerpiece.

NEBULA

BOLD DESIGN,
ENDLESS SOPHISTICATION

Nebula is a masterpiece that elegantly merges form and function. Its bold geometric design and refined finish create an extraordinary focal point in any dining room. Designed to accommodate lavish dining experiences, this table brings a unique blend of sophistication and innovation to the forefront.

HIGH GLOSS COLORS

MATTE COLORS

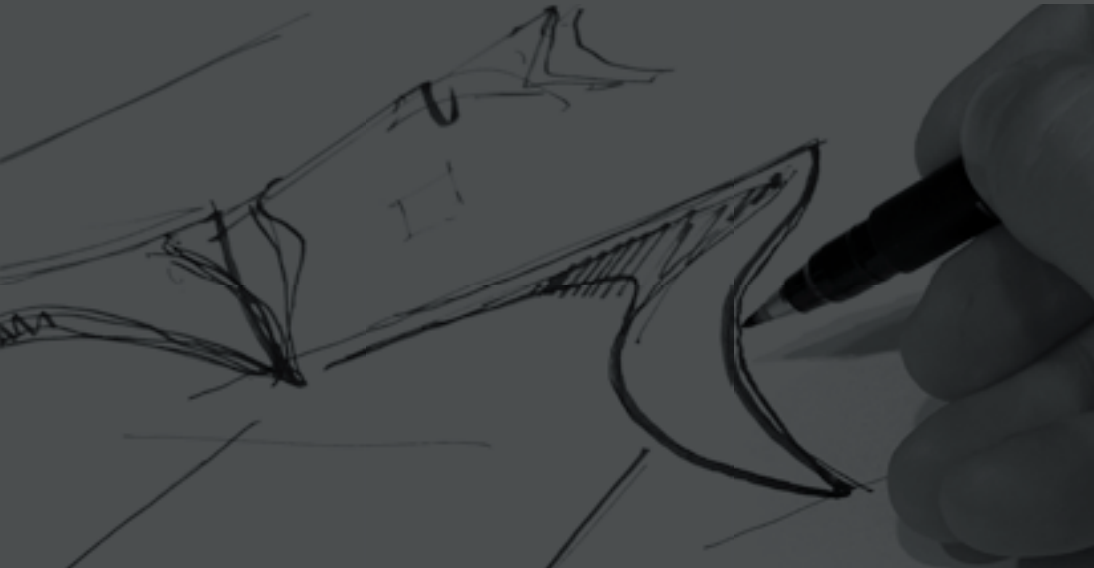

Our portfolio stands out with a stunning range of meticulously curated colors. We offer high-gloss finishes that exude modern sophistication and matte finishes for a more subtle, refined look, adding a unique touch to any design vision. This variety was created to inspire your creativity and bring your unique design vision to life.

THE ART OF INNOVATION:

WE VALUE DESIGN

At B8, we've always believed that design should evoke emotions, crafting items that serve a purpose and tell a story. It all began with a vision to create furniture that would be more than functional pieces but works of art that transform spaces and inspire. By working with advanced composites materials, we've unlocked new potential, blending strength, durability, and elegance in ways that challenge the status quo. Our journey is about creating pieces that elevate spaces and tell their stories through design. Every B8 creation is meant to inspire, endure, and connect with those who experience it.

FABIAN ZAGO

As an architect and designer, Zago seamlessly transcends the boundaries between disciplines, spanning commercial, governmental, and high-rise residential architecture, interior design, and composite furniture creation. His cross disciplinary expertise harmonizes functionality and creativity. Each design reflects a thoughtful balance with a distinctive, timeless touch.
